# Invoice Finance

## Fast-track your cash flow

Turn unpaid invoices into instant funds and give your business the cash flow it needs to keep growing. Long customer payment terms are a thing of the past when you use Fifo Capital Invoice Finance. When timing is critical and flexibility mandatory, selective invoice finance is the ideal solution.

### Features

- » Up to 80% invoice advance
- » Advance amounts from \$10,000
- » Single or multiple invoices
- » No lock-in contracts

### How it works

Send your customer  
an invoice

Upload the invoice into  
Fifopay

Funds advanced same  
day

### Ready to go?

Minutes to apply online. Same-day funding once approved. You'll need:

- ✓ Active ABN or ACN
- ✓ Operating 12+ months
- ✓ \$10k+ monthly turnover
